

# Sea Horse Sculpture

No sea theme is complete without this special little creature! The Sea Horse Sculpture from The 4 Kids will add that finishing touch of finesse. Skillfully crafted by talented artisans and designers, this realistic sculpture is made with GFRC which is tough and long lasting. It will retain its beauty regardless of indoor or outdoor conditions and needs very little maintenance. No special cleaning is needed and anti-graffiti coatings are available.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
