

Seashell Steppers

If you're looking to add a bit of the beach to your playground, our Sea Shell Steppers are just the thing. They come in a variety of colors, sizes and finishes. We can make them small, large or gigantic. Our Beach Playscape would be the perfect place for kids to jump all over some gigantic sea shells. You may not find pearls in these...or would you? We love to customize, and would be happy to create a giant clam climber complete with pearl hidden inside. These sea shell steppers are fun and spark imagination and wonder. Children can pretend to jump across the ocean while playing with their friends.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
