

# Seahorse Post Topper

Every sea life theme park has a seahorse that fascinates park goers and provides excitement and adventure to the park's play scape. The 4 Kids Seahorse Post Topper goes one better, by turning ordinary park utility posts into impressive works of playground art. The 4 Kids Seahorse Post Topper can turn a plain old set of border posts along a walkway into a captivating stroll among a herd of seahorses, and it adds the same type of panache to signage, at entrances and exits or to define spaces for ride queues or food courts. The possibilities for placement of these lifelike play sculptures is endless, from parks and playgrounds, aquariums, zoos, splash parks, even family resorts. Indoors or outdoors, the seahorse designs are virtually maintenance free, thanks to the expert craftsmanship of The 4 Kids design team of expert playground artists and sculptors. Custom designed according to the preferences of specific clients, the professional team in the Greenville, Texas studios ensure high quality, long lasting results for unique and one of a kind post toppers.
