

# Shar-Pei

---

---

There's no mistaking the deeply-wrinkled look that makes this Shar-Pei Play Sculpture an attention grabbing addition to children's hospitals, children's museums, public parks, or daycares. Shown here with the realistic finish option, this climber is crafted with super-durable material, giving it the strength to safely handle play by active kids. That durability also makes it well-suited for indoor or outdoor play. Plus, we use UV-stable pigmentation that ensures colors maintain their look for many years.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
