

Shetland Collie

Kids visiting your park, attraction, school, or children's museum won't be able to resist playing with this dog. The Collie Play Sculpture is a unique way to encourage children, from young toddlers through elementary-age, to climb, balance, and play out their adventures. The dog climber pictured here features the collie's iconic look: a long coat in sable. The pigments used resist fading in sunlight. Plus, the material is super-tough, so it will keep its look and finish, even when exposed to harsh elements.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
