

Kingston Sign

The Kingston Sign features a smooth front face in a solid foundation with pointed peak to attract attention. There are many opportunities for writing on its surface. Use it to announce entry into the park, distinguish between attractions or exhibits and provide information about what your guests are about to see. The sign is durable, crafted of materials that only get better with time.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
