

Sign 1

Easy to follow, engaging and informative signage is important for any setting. Featuring a stately appeal that includes a rounded apex and molded framing, this piece comes in any size, including 3, 4, 5 or 6 feet high, depending on placement. Available with or without brick bases, the design is the perfect backdrop for important signage in parks, arenas, museums, retail outlets, and entertainment venues. Crafted with glass fiber reinforced concrete, our sign structures are durable in all weather conditions and work beautifully indoors or out.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
