

Sign 8

Classically traditional in design, this unique The 4 Kids sign structure features an intricately crafted notched detail that adds a charming Colonial feel for maximum beauty to go along with highly superior function. Eye catching and impressive, the 3, 4, 5 or 6 feet high sign structure will set off your signage at entrances, along walkways, in lobbies, waiting areas, queues or anywhere that requires high quality sign display to set the stage and provide information necessary for business, fun, education, wellness, entertainment or any number of functions. The possibilities are endless for placement of this sturdy, stylish sign structure, crafted by The 4 Kids team of designers who customize according to client preference for complete satisfaction. Whether located at ballparks or basilicas, clinics or courthouses, daycare centers or dining venues, this exceptional sign catches the eye of clientele and delights property owners. Perfect set outside or inside, crafted from glass fiber reinforced concrete, with or without a brick base, the sign is virtually maintenance free for years of quality service in all weather conditions, snow, ice, intense heat and even sea salt spray.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
