

Sign 37

Whether you call it a sign, a display, a marker or a marquee, you will be sure to call The 4 Kids sign structure here a top quality example of superior signage that catches the eye of your customers and helps build your business. Setting the stage for a pleasant experience at any venue, be it medical facility or military installation, courthouse or basketball court, school or shrine, this sign structure offers property owners a vast surface for any size or style lettering and a captivating arched detail that will make readers sit up and take notice. Ranging in height from 3 to 6 feet tall, the sign can also be mounted on an attractive brick base that adds another foot and 3 inches overall. In addition, The 4 Kids team of experts can customize designs for clients who have their own ideas and specifications, but the high levels of quality don't change, including a glass fiber reinforced concrete finish that is virtually indestructible in all weather, for consistently low maintenance and high performance. Call our professionals today to discuss your signage needs.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
