

# Sitting Piglet Play Sculpture

Three little pigs, Winnie the Pooh's Piglet, Charlotte's Wilbur, pigs have always been a feature in children's favorite stories, and they're favorites on the playground too. The 4 Kids' Sitting Piglet Play Sculpture brings to mind all the fun and charm of storybook pigs for kids at play on frontier or farm themed playground equipment. Realistically rendered and expertly designed, the Sitting Piglet extends his snout in a friendly greeting, captivating little ones up to 12 years old and powering up the fun factor on every playground. Safe and durable in all weather, the Sitting Piglet is customized, like all the farm animals in The 4 Kids' collection.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
