

# Sitting Tiger Play Sculpture

Wide eyed and charming, The 4 Kids Sitting Tiger Play Sculpture turns the playground into a zoo where fascinating animals live. Climbers like this tiger cub attract children like catnip and inspire the kind of make-believe scenarios that develop lively imaginations. Made of superior construction materials in a choice of five finishes, the sitting tiger is durable in all weather with built-in safety and low maintenance. If you have a zoo, nature or safari themed park and you think this little fella would be a perfect fit for your residential or commercial playground, get a free consultation and we'll custom design yours.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
