

Small Strawberry

Fruits are delicious, and most children love to eat them. How about letting them play with their food? They can, with our larger-than-life sized fruits and vegetables. We have this Strawberry climber for you in any size you'd like. Use them as steppers in a fruity playground. We can make a giant strawberry sculpture for your garden or restaurant as well. Realistic and made using the toughest of materials, gfrc, to ensure long lasting 'freshness' for years of enjoyment.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
