

# Sphere Climber

---

---

The 4 Kids' Sphere Climber gives kids a super fun way to make climbing and crawling an awesome playground experience. The sphere climber is perfectly rounded and expertly designed in one of four superior finishes, including concrete, realistic, stone and translucent. A fascinating way for kids 5 to 12 to develop healthy balance and motor skills, the playground possibilities are endless for this sphere climber. The play spheres, including sports designs, are crafted from glass fiber reinforced concrete that ensures they are virtually maintenance free. Safe and sturdy, play spheres are versatile and custom created for size and design. Have an idea? Our designers will make it a reality.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
