

Stealth Plane

Sleek and dramatic, the fascinating design of this astonishing Stealth Plane by The 4 Kids adds a level of excitement in themed parks, playgrounds or any aerospace and aviation themed fun center where kids come to be entertained. Realistically designed by talented artists, designers and engineers, this plane looks just like the real thing, but it's kid-sized for awesome fun. At four feet two inches by five feet one inch, but just 10 inches off the ground, the stealth plane play-ground sculpture is perfect for balancing, climbing, sitting or simply flying off on make believe adventures in the wild blue yonder. Superior fiberglass construction ensures long life and durable service in all-weather while strict safety design standards let parents and park supervisors breathe easy as the real playground equipment experts, the kids, have the time of their lives. The 4 Kids, an American playground manufacturer in Greenville, Texas custom designs playground sculptures based on client needs, created by experts and tested by kids.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
