

# Stone Egyptian Guard

At an amazing 12 feet tall, this Stone Egyptian Guard is always ready to defend and protect. Or to place everyone in awe over his amazing height and build. The glass fiber reinforced concrete used to create this ancient piece, ensures his lasting stance. Also called the 'smart-crete' gfrc is a very durable material sure to last the sands of time. Ideal for casinos, resorts, adventure theme parks and museums, everyone will want to stop by for a photo op. Make your place the one people remember. We have many Egyptian themed pieces to choose from to create your own Archaeological adventure theme park. Contact us today to get started.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
