

Stone Tortoise Sculpture

The tortoise is a beloved creature of many. They are slow moving, yet fascinating to watch. Tortoises can live for over 200 years. We have created our Stone Tortoise Sprayer just the same, to last a life time. Crafted from lass fiber reinforced concrete, we can give this Stone Tortoise Sprayer the look of stone for that unique touch. Children will be able to interact with this play sculpture by sitting, climbing and running all around while getting sprayed with stream of water coming out of the mouth. Wildlife themed water parks are a perfect fit for the Stone Tortoise Sprayer, which enhances spray grounds and playgrounds everywhere. Well-crafted and durable, the tortoise playground equipment is safe and requires very low maintenance. Contact us today to get started on your *nature themed water park sculptures.*
