

# Swan Bench

Classically designed and elegant, The 4 Kids Swan Bench adds the perfect measure of class to public or private venues while beckoning visitors to sit and rest. Detailed with meticulous swan designs, claw feet features, elaborate artistry and magnificently sculptured, the bench lends itself beautifully to décor plans for civic centers, museums, parks and historical centers, enhancing the ornamentation with panache as well as functionality. The perfect place to rest during a visit to an Expo, history center or park, the Swan Bench is comfortable as well as high quality. The 4 Kids team in Greenville, Texas is especially expert at creating designs that complete décor plans for themed settings, even playgrounds, casinos and water parks across the world. Crafted with glass fiber reinforced concrete, the smart concrete, the Swan Bench is weather resistant and virtually maintenance free for years of use. The artistic designers in the studios of The 4 Kids customize one-of-a-kind creations for every client need.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
