

DinoBonz T-Rex Skull Climber

The king of the dinosaurs, the T-Rex, is also the king of climbers as part of The 4 Kids' play sculptures, which include the wildly popular DinoBonz T-Rex Skull Climber. The T-Rex climber takes dinosaur fossils out of the museum and places them on the playground, to the delight of kids. Lifelike and realistic, the DinoBonz T-Rex Skull Climber is perfect for parks or even indoor play centers, providing fun ways to develop motor skills as well as imaginations. A wide array of finishes is available for this customized design, which is crafted of glass fiber reinforced polymer for high safety levels and low maintenance.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
