

T-Rex Skull Fossil

Tyrannosaurus Rex fossils have been found in so manyplaces on Earth. Some skulls have been found that were 4 feet long. As this skull isn't quite as large, it is still a fascinating discovery to be made by all children. Extracting fossils has to be one of the most exciting things we can do. Discovering the creatures that walked amongst this world long before people is an exhilirating feeling. Boosts your child's learning experience through hands-on discovery and play. This T-Rex Fossil Dig will do just that. The fossil dig is perfect for museums, youth learning centers, zoos, and more. We have other fossil digs to choose from, so mix and match them to make an extravagant excavation party. Contact us today to get started on crafting your ancient creature.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground.
