

# Texas Longhorn Steer Sculpture

Few animals make an impression like the Texas Longhorn so it's no surprise that this sculpture will draw attention from children and adults. No matter where this sculpture is displayed, indoors or outdoors, it will stick in visitors' minds. We've constructed this entire piece, including the horns, to be super sturdy. It will withstand weather, UV light, and family photo ops. The 4 Kids Texas Longhorn Steer Sculpture is perfect for farm, ranch, animal, frontier, or pioneer themes.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
