

Tomato Post Topper

So real looking you'll be tempted to take a bite, this amazing Tomato Post Topper from The 4 Kids is fresh and appealing as it sits atop a utility post in a nature inspired theme park, science museum, farm market, dining venue or anywhere, bringing in a new level of healthy to a park décor plan. As part of a collection of expertly crafted veggie post toppers, this high quality tomato design can turn a row of boring park posts into a virtual chef's salad along a walkway, at entrances or to point the way to eateries and fresh marts. Although you'd never leave a fresh tomato out in the weather, this bright red fruit is constructed with a resilient finish that resists rain, ice, snow and even salt sea spray with no damage and very low maintenance requirements, for years of easy care and good looking service. World-renowned playground artists at The 4 Kids Greenville, Texas studios are the creators of this awesome post topper design, customizing the design to meet the needs of each client. Relishing in every challenge, this expert design team takes the ideas of park planners and gives them life, ensuring wonderful results.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
