

Toucan Post Topper

A friendly toucan perched on a theme park utility post can accomplish a multitude of park tasks, like welcoming park goers at entrances, lining pathways and holding directional signs, or even pointing the way to fun rides or dining centers. The 4 Kids Toucan Post Topper is a high quality, meticulous replica of the real thing, catching the eye and captivating the imagination of everyone who encounters this fascinating bird. Posed in a stately stance, perched atop a post, the toucan is so lifelike that observers are tempted to touch, just to see if he's real. Bringing a new level of whimsy and fun to every location, the possibilities are endless for placement of post toppers such as the toucan, in parks, indoor and outdoor play centers, museums, aviaries, family resorts and many more. Crafted with impeccable artistry, the toucan also has a high quality finish that resists damage in all kinds of weather, even sea salt spray, ice, snow or intense heat.
