

# Treasure Hunter

As part of The 4 Kids' Pirate collection, the Scallywag McGreedy Sculpture is quite the character. With a chest full of treasure on his shoulder, McGreedy embodies all that is pirate, stealing away with the booty. A star on a Pirate themed park or playground, Scallywag is only one of many kid-friendly pirates to inhabit play settings, all part of The 4 Kids Pirates themed playground equipment collection. Crafted expertly with the finest materials, Scallywag is custom designed for individual needs and is virtually maintenance free. This pirate sculpture is perfect for use in water parks, pirate themed parks, tropical resorts and nautical themed casinos.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
