

Tree House Flag

Fly your colors atop this super tree house and stake your claim to playground fun. The 4 Kids' wide array of tree house accessories includes this awesome Tree House Flag. This flag, unlike traditional cloth ones, will never rip or tear and waves majestically, whether there's a breeze or not, in all weather. Designed to last and constructed with glass fiber reinforced concrete, the attractive Tree House Flag is a fitting topper for your tree house themed playground or park. Virtually maintenance free, the flag can be installed on the highest peak of a tree house.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
