

# Tree House Personalization

Want to make a play tree house your own? You can do that by personalizing it, with wall carvings, decorations and animal accents that are part of The 4 Kids' Tree House Personalization playground elements. Your own personal touches will go a long way to make your tree house or playhouse the best on the playground, rivaling even the three bears' cottage. If you can imagine the individual decor needed to put your stamp on tree houses or play cottages as part of your park or playground equipment, we can custom create them using a wide array of finishes.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
