

Tree House Roof Dormer

There's nothing like a little gingerbread to set off a Tree House, especially a playground tree house. The 4 Kids' Tree House Roof Dormer fills the bill for adding a quaint and charming feature to tree houses, playhouses or playground structures that house the fairy tale dreams of children. The cedar dormer is the crowning touch for The 4 Kids' Tree House playscape, and also adds a touch of make believe to any play equipment with a storybook house theme. Safety is top priority for The 4 Kids designers and cutting edge construction materials make it nearly maintenance free.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
