

Triceratops Sculpture

The 4 Kids' Triceratops is one of the stars in Dinosaur themed playgrounds, a delightful sculpture that turns child's play into exciting make believe fun. Great adventure in the land of the dinosaurs is easy with this lifelike replica of a triceratops, complete with realistic features and one of four finishes. Pumping up the fun factor and stimulating young imaginations, the triceratops play structure is an invitation to explore the world of dinosaurs. Perfect for inclusion in outdoor or indoor playgrounds, even commercial play centers, the triceratops playground feature is sturdy and virtually maintenance free.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
