

Triple Bay 4 Swing Set

This bark themed swing set is hand crafted from glass fiber reinforced concrete. GFRG is weather resistant and rot resistant. Creating a break from traditional play equipment materials is what The 4 Kids have done. They have taken the splinters and rot away and replaced it with a material that is safe, long lasting, and weather resistant; meaning safer play for everyone. The Triple Bay Swing set post is meant to replicate the bark of a tree, thus creating a feel of natural incorporation of nature into the playground space. This swing can accomodate all ages, with the option of belt, bucket and ada swings available. We also have basket swings. Let The 4 Kids help you with your next project. Call us today!

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
