

Tyrannosaurus Sculpture

Few creatures spark kids' imaginations or nurture their curiosity like a fierce dinosaur. Our Tyrannosaurus Sculpture is the ideal choice for dinosaur or prehistoric themed playscapes, but it's also a good fit for museums, exhibits, or attractions. Made with revolutionary material that maintains its strength and finish for many years, this sculpture captures the natural-looking colors and textured surfaces that draw attention from children of all ages.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
