

Vinton Bollard Planter

Practical function and visual appeal come together in the Vinton Bollard Planter. This custom bollard features a sturdy design that makes it ideal for blocking illegal/unwanted parking, safeguarding pedestrians, and protecting entrances. It has simple lines, too, so it will complement a range of properties, including office or residential buildings, campuses, government buildings, botanical gardens, and schools. Our expert designers will customize the size to suit your needs--small, huge, or anywhere in between. Plus, the Vinton is easy to install and offers a low-maintenance finish.
