

Walking Baby Goat

Nothing kicks up the fun factor at a farm themed park or playground, a children's museum or expo, or an indoor or outdoor fun center like an enchanting group of barnyard animals to charm and captivate visitors of all ages. The 4 Kids Walking Baby Goat play sculpture is an adorable way to welcome guests at the gates of the theme park, enhance an overall décor plan for fun centers, even to round out the panache in a popular zoo venue. So flawlessly designed that children will be certain he's real until they realize they can climb, crawl and meet this little guy eye to eye for some great make believe interaction. Lifelike and posed playfully, the little goat invites park goers to enjoy a play experience second to none, crafted by expert artists in Greenville, Texas studios. Virtually indestructible, the goat replica has a resilient, weather-resistant resin finish that requires very little maintenance for years to come. Part of a barnyard full of farm animal designs, The 4 Kids Baby Goat is custom created to meet individual client needs.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
