

Walking Pig Sculpture

Off to the county fair? On its way to see a certain spider friend? Wherever this Walking Pig Sculpture is headed, you can be sure young imaginations are going with it. This sculpture is more than just a cute addition to your attraction, museum, or playground--it's also a balancer and climber. Children will make farm or frontier fantasies a reality with this pig at their side. Our Walking Pig is crafted using super-durable, low-maintenance material that will withstand weather, UV light, and climbing kids.
