

Whippet Pup

This small Whippet Pup Sculpture is packed full of fun and imagination. Toddlers will want to sit and climb on it, learning about pets and how to treat them. Older children will love its realism. As the Whippet Pup Sculpture sits quiet and unassuming, looking upon your child at play, you will appreciate how art and science combine to bring it to life. The Whippet Pup Sculpture by The 4 Kids is perfect for pet themed play areas both indoors and out.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
