

Whippet

The Whippet Play Sculpture will put kids' imaginations into high gear. This piece, which is also a child-safe climber, is built with material that lasts, indoors or outdoors. It's suitable for preschoolers and elementary-age kids. We've shown it here in the realistic finish, a popular option that showcases this beautiful breed perfectly, from attentive eyes to muscled body. The Whippet Play Sculpture fits well with themes like dogs, animals, or hunting. The 4 Kids offers play sculptures in many breeds, so be sure to check them all out.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
