

# Wild Boar Park Sculpture

The wild boar puts the wild in wildlife, and if it's The 4 Kids' Wild Boar Park Sculpture, it puts the play in playground. This wild boar is an amazing work of playground art that kids can climb and crawl on and explore in great detail until their natural curiosity is satisfied. Realistically rendered from his tusks to his tail, the wild boar is a kid's dream come true, the chance to go on a make believe safari on a real Safari themed playground. Design and craftsmanship make the grade at The 4 Kids, and our play equipment is virtually maintenance free. Call today with your ideas.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
