

Yorkie

The Yorkie Play Sculpture is a unique climber that allows kids to play, balance, crawl, and imagine. At just over 12 inches tall, it's a child-friendly size that's suitable for young toddlers through pre-schoolers. We use a high-quality, resilient material engineered to the highest safety standards. The fur and other details are realistically sculpted and colored. All pigments are UV-stable and will remain beautiful for a long time. Pair it with our white Yorkie Sculpture for even more pint-sized fun.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
