

Young Triceratops Sculpture

Who knew dinosaurs could be so sweet? This Young Triceratops Sculpture is endearing to both kids and adults. Perfect for museums, outdoor playgrounds, or prehistoric-themed attractions, this kid-friendly piece is about 5 and a half feet long and more than 3 feet high. Constructed with super-tough material, this dino is resistant to weather, sunlight, and heavy visitor traffic. We have many color and finish options available to suit your needs.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
