

Zebra Bench

If you're looking for a place to sit, how about on a zebra? A Zebra Bench that is! A unique piece of furniture that can be placed anywhere is designed as a zebra. Six feet long, this resting zebra is waiting for you. Two adults can easily rest here while watching their children play at the park. Little ones can sit or climb all over while visiting the zoo. What better chance will they have to get a safe, close up view of an African animal? They can touch the amazing detail, and have fun counting stripes. Custom designed with nature, safari and zoo themed parks in mind, this superior playground equipment is a boost for playgrounds, zoos, restaurants and more.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
